

STATIONARY ARCHERY RANGE RULES

Archery equipment can be very dangerous and must therefore be handled properly and SAFELY. In case of an emergency dial 911. To report any unsafe conditions, contact a Park Officer by calling 564-2291.

COURSE CLOSED NOVEMBER 1 TO MARCH 31 DUE TO THE WINTER ACTIVITIES NEARBY

1. **FIELD TIPS ONLY, ABSOLUTELY NO BROADHEADS. FIREARMS ARE PROHIBITED.**
2. Prior to each shooting session, the Archer should carefully check bows and arrows to make sure both are in proper state of repair.
3. All Archers shoot from a common shooting line. No Walk up Shooting allowed!!
4. Do not load arrows until the shooting area is cleared and shooters are on the common line.
5. Only retrieve arrows after all bows have been made safe and all shooters agree that it is safe to proceed to the targets to retrieve arrows.
6. Never shoot an arrow up in the air.
7. Shoot only at designated targets in the appropriate shooting area.
8. There should be no more than one (1) person shooting at a single target.
9. No more than six (6) arrows will be shot at one shooting time.
10. Alcohol is prohibited; Persons who have been consuming alcohol or are under the influence of drugs are prohibited at the range.

A list of Safety Rules could never address all situations. Archery Range users are expected to be Safety Conscious and Responsible at all times.

Range open legal sunrise to sunset
